JAN 31, 2019

REGISTER BY JAN 25

Learn about the new Dairy Revenue Protection Program (Dairy-RP), a new federal crop insurance risk management tool, with a quarterly payout to dairy farms when milk revenue falls below their insured revenue level. Participants will also learn about the FSA Dairy Margin Protection Program as another tool, especially when milk prices are low.

FREE—NO COST

Lunch included with advanced registration

Lunch Sponsored by:

Guest Speaker: Dr. Mark Stephenson,
*Extension Dairy Marketing / Policy specialist
and Director of the Center for Dairy Profitability
at UW-Madison*
