

## YQCA (Youth for the Quality Care of Animals)

REMINDER: All youth who are planning to sell in the large market animal sale (beef, sheep, and swine) are required to complete Youth for the Quality Care of Animals (YQCA) training this year. This can either be done in a face to face meeting or online. The two face to face meetings planned in Waupaca County are:

- April 9 at 6:00 p.m. at Manawa Little Wolf High School (OR)
- June 8 at 10:00 a.m. at Manawa High School

The cost to register is \$3 for the face to face training and \$12 for the online training. Youth will receive \$3 back from the Large Market Animal Committee after verifying they completed the online course or after attending a face to face training. Members need to register online to choose the class they are attending and to get the completion certificate after training. Log into <http://yqca.org> . The goals of YQCA are to strengthen the youth educational experience, improve the care of food animals, and promote a higher level of consumer food safety.
