## **SEPTEMBER MEETING MINUTES**

Master Gardeners Meeting Minutes  
September 12, 2019

President Patty Tomczak-Virnig opened the September meeting at 6:30 p.m. The August meeting minutes were approved by Ila Sanders, seconded by Jean Medway. The treasurer's report was given by Rebecca Weber Schmoll. She has a spreadsheet available, indicating funds remaining in individual projects.

Pat Ritchie awarded name badges to new members in attendance: Nancy Sonnenberg, Carrie Esch, and Amy Madison.

Members paid dues for the upcoming year: \$15.00 per member. Hours can now be submitted via the internet. Dana Nelson, from the extension office, will be at our October meeting to provide training for this. No hours will be accepted for

travel time this upcoming year. For clarification, each year hours are to be recorded from the month of September through August of the following year.

Deana Hirte reported on a Super Star Leadership meeting she attended on September 12. The training is held at various locations with information available on the web. Also, Deana is also collecting orders for Master Gardener clothing.

Sally Marchel Handrich encouraged the membership to fill out committee involvement and project proposal sheets as soon as possible.

Joan Schmitt read "Stone Soup" to the membership, followed by delicious soup of the same name, with ingredients (including a stone) contributed by those attending.

The meeting adjourned at 7:10 p.m. with a motion by Jean Medway, seconded by Pat Ritchie.
