Scholarship Recipient

Jacob Scheller was recognized as our WCMGV scholarship winner at a virtual awards ceremony this past week at Manawa High School. Thank you Ila for leading the Scholarship Committee!

Manawa student receives scholarship

COUNTY – The Waupaca County Master Gardeners Organization awarded their 2020 scholarship in the amount of \$500 to Jacob Scheller, a recent graduate from Manawa High School.

Each year the organiza-

tion seeks to help further the education of a student pursuing instruction in the field of horticulture.

Additionally, the organization brings public awareness for the the need to protect and care for the en-

vironment through a variety of programs throughout Waupaca County.

Jacob plans to further his education at Fox Valley Technical College. He is the son of Bruce and Jennifer Scheller, of Manawa.

WCMGV Member Moments

My son, Ryan, and a group of his classmates, were working on a project for their Senior Seminar Citizen Science Class at UWSP. The project was about the million orchid project in Miami, FL. I thought the master gardeners might find it interesting. See the link below for the power point presentation.

Poppies are so fragile, but I caught this before an early June rain.

The orange color really 'pops' in my front yard iris bed. This is a nice year for irises! I also attached a picture of my gold iris I received years ago from Alice Brown. Such a beauty!
