Please continue to stay home, be safe, and enjoy your gardens.

### Thursday, July 9<sup>th</sup>

Membership Meeting is cancelled.

### Thursday, August 13<sup>th</sup>

Membership Meeting is TBD.

### Waupaca County Fair Update for WCMGV

As of July 2, the Waupaca County Fair is still scheduled to take place. However, at this time, we, as Wisconsin Master Gardeners, cannot participate due to the restriction on indoor activities that involve person-to-person contact. We are following the updates issued by WIMGA regarding COVID-19. Should this restriction be lifted in time for the Fair, and if you are interested in volunteering, please let Pat Ritchie know so that she has a list of contacts ready to go.

### We Can Resume Some Outdoor Activities . . .

WIMGA issued new guidance June 10 regarding additional approved activities in this time of COVID-19. You can find this information online at:

<https://wimastergardener.org/2020/03/20/halt-to-master-gardener-program-volunteer-activities-2/>

### **Approved Outdoor Gardening Activities:**

An approval form must be completed, submitted, and approved prior to engaging in gardening activities.

- Many host organizations (botanical gardens, county and municipal parks, not for profits, health care facilities, etc.) provide the oversight of these gardening activities. Confer with those organizations on additional restrictions that may be in place before resuming activities. Keep in mind bathrooms and tool access may be off limits. This information will be critical for filling out the form.
- Once the form is completed, please work with your county staff to forward the form to the Area Extension Director for approval. If you do not have a staff person available in your county, please send to [mike.maddox@wisc.edu](mailto:mike.maddox@wisc.edu) to initiate the approval process.

**MG Project Approval Form COVID19**

*After clicking on link, please download the PDF to your computer to properly fill out, save, and send the form.*

**MG Project Contact Sheet**

*The Project Contact Sheet is a Google Document template to use to ensure required communication, staggering shifts, and contact lists. When clicking on the link, you will be prompted to make your own copy of the document to customize. Sharing instructions are at the end of that document.*

**NOTE: Only the Chairs of the garden projects need to submit the approval form. If you have questions on the form or need assistance, please let me know. The projects we will be able to resume once the form is approved are:**

- **Budwit-Burkarma Gardener**
- **Fairgrounds Gardens**
- **New London Franklin Park Gardener**

- **Most Precious Blood Church Garden (New London)**
- **Mission of Hope Garden (New London)**
- **Petals of Honor Garden (King Veteran Home)**

**All other projects, as they involve in-person contact, are not approved at this time.**

**A Note from Debbie . . .**

We would now have had our plant sale, our garden walk, and be in the midst of our children garden activities and community garden projects if this were a ‘normal’ time, Unfortunately it is not. But I hope you are all reveling in the beauty and abundance of your own gardens. Gardeners are special people! They are resilient in stressful times as the plants they tend, they are cheerful with smiles, just as sunflowers show their face to the sun, and they are patient and know when to take hold of opportunity, just as a seed when all is right to sprout, take hold and grow. We could look at this time as a respite, a time to gather and store energy, a time to ponder and plan next year’s activities, and a time to reflect on our past and present and be grateful for all. Thank you for being the wonderful people you are, the dedication you have to gardening and the joy it brings too many! We will get through this time. *Next year will be fantastic!*

**Happy Birthday**

**July Birthdays:**

- 7/3 Nancy Sonnenberg
- 7/11 Connie Jess Zolkoske
- 7/29 Doug Pickar

You have a birthday, but it’s not listed??? Please let us know if we’ve missed yours.
