Thank you to our sponsors, Wisconsin Farm Bureau Federation, Wisconsin Pork Association, Wisconsin Beef Council and Wisconsin 4-H Foundation, who provided our winners with gift certificates to their favorite show supply store or Culvers, a continued sponsor of youth.

Great news! We are releasing the next round of Livestock Lessons ending on March 5, 2021. The potential topics for your lessons are endless! We would love for you to submit your 4-H demonstrations, FFA public speaking entries, any videos and written work that aligns with work you already doing. This time period will allow us to see you talk about acquiring your animal project or caring for newborn animals. No matter what topic you choose, remember that the most impactful presentations are both accurate and engaging. Be creative, be funny, be serious, just be you! Think about something you have learned in your animal science project or something that you enjoy doing and prepare to share it.

Round 2 of the Wisconsin Livestock Lessons will include many ways for youth to show their work and interests.
