

Hello Dog Project Families,

You are getting this mailing because there is somebody in your family that enrolled in the dog project when they enrolled in 4-H. If you do not wish to receive information about the dog project anymore, please notify Penny at penny.tank@wisc.edu .

The dog leader group has held a few meetings to begin to prepare for the 2021 project year, and with the newest guidance that has been released for 4-H meeting/workshops, are looking forward to being able to offer in person training this summer for the dog project. Things may look a little different and everybody's cooperation and patience is appreciated.

Enclosed is the enrollment paperwork and project rules. Mark your calendar for the start up meeting zoom on **Tuesday, April 13 at 6:30 p.m.** Leaders will review the project rules, schedule, enrollment paperwork, fundraiser, and other details for the project year. If the project youth cannot be on, families are asked to at least have a parent or guardian on the call.

**Also enclosed is a DRAFT schedule. The project is still in need of a few leaders/trainers to be able to offer all that has been offered in the past and so some things are not finalized. Volunteers will also be needed to help with tasks throughout the project year, so we ask each family to consider where they may be able to help.**

We again thank Dana Nelson and the leaders that worked with her for the past few years leading the project and welcome Colleen Rae and Meredith Bowers as the new co project leaders. Stephanie Arnold is continuing as the secretary and treasurer for the project.

Below is the connection information for the start up zoom on Tuesday, April 13 at 6:30 p.m. You can log in using the zoom link or call in on one of the phone numbers. (this was also emailed on March 18<sup>th</sup>)
