

Raising A Thinking Child

is for dads, moms, educators or anyone caring for a child ages 4-7

Raising A Thinking Child workshop
might be just right for you!

WEDNESDAYS
FEBRUARY 2 - MARCH 9
8:00 PM - 9:15 PM

ONLINE *from the comfort of your home*

PARTICIPANTS WILL LEARN:

- To give children skills to effectively solve their own problems
- Fun games to help children learn these problem solving skills and consider consequences
- How to help kids care about and understand their feelings

It is refreshingly practical curriculum that helps you help your child learn HOW to think, not WHAT to think, as they learn to resolve their own problems.
