Directions To ThedaCare Waupaca Community garden

The community garden is located on ThedaCare grounds at the corner of Riverside Drive and 10th Street. The easiest way to get there would be to take Churchill Street to Park Street (there is only one way to turn on to Park St.) next to the Shell Gas Station. Once on Park Street, go 2 blocks and take a left onto 9th Street, from 9th turn into the parking lot of the ThedaCare facilities building (it looks like a school building because it used to be one) then drive to the back area of the parking lot and you will find the community garden. I am really not sure of the address but I believe it is 950 Park Street. The garden itself is in a fence in area.

Meeting Minutes

May 12th, 2022, 6:30 p.m.

Location: Waupaca County Courthouse

President Carrie Esch called the meeting to order at 6:32 pm with 9 members in attendance.

Secretary Nancy Sonnenberg referred to the meeting minutes submitted in the April Newsletter and asked attending Members if there were any corrections or additions to note. No correction or additions were brought forward. A motion to approve the minutes was set forth by Debbie Krogwold. and second by Carrie Esch. Motion carried.

Treasurer's report was provided by Rebecca Weber-Schmoll. The report will be filed for audit.

President update was provided by Carrie Esch. The Waupaca County Master Gardener organization was added to the drop down menu as an option to capture volunteer hours in the Online Reporting System (ORS). Members are encouraged to log in and add hours.

State Representative, Pat Richie, reported no additional updates from the UW state. Members are encouraged to read the WIMGA Newsletter. A card for the family of Connie Abert will be sent, in light of her recent obituary. Her effort and support in environmental youth connections, such as 4-H and educational "Got Dirt?" gardening program were great contributions.

Notice: June 2nd – Semi Annual Representative & Board Meeting will be held on Zoom. Pat will send the information to Carrie Esch. They are looking for feedback on two of the most challenging issues for local chapters of the Master Gardener Volunteer Associations (Membership retention/additions and activity pre-work).

Old Business: none

New Business: This year's Annual Plant Sale has been cancelled. Posting signs with cancellation information in the common locations (i.e. Fairgrounds) was suggested.

Committee Updates:

Volunteers are signing up and will be given designated posts for the day of the event. June 9th Membership meeting (ThedaCare/Riverside Community Garden) will be the next gathering to discuss.

All Members – Plants are needed for sale during the Garden Walk & Art Stroll garden #4 on Lindsey Lane.

Next Meeting on June 9th will be held at the Waupaca Community Garden (a block from ThedaCare/Riverside). If bad weather is in the area, the backup plan is to meet at the Waupaca Co. Courthouse.
