4-H ENROLLMENTS

If you have people talking to you about joining 4-H, feel free to share the following information. You are the best way to attract new members into 4-H.

WHAT IS 4-H?

4-H is an educational youth development program conducted by UW-Madison - Division of Extension. In 4-H, members are encouraged to learn, build, and use life long skills such as leadership, communication, organization, cooperation and decision-making through a variety of projects, workshops and activities. It is open to youth in grades K-13. Children in grades K-2 are Cloverbud members. Parents and adults are encouraged to volunteer and be leaders. 4-H is one of the largest youth organizations in Wisconsin, with about 160,000 youth members from 50,000 families.

4-H is open to everyone regardless of race, color, creed, sex, national origin or disability. Boys and girls in towns or urban areas enjoy 4-H as much as those in rural areas.

WHAT DO I DO AS A 4-H MEMBER?

By being a Waupaca County 4-H member you can enroll in projects, help organize programs, carry out community service activities, participate in club, county, state, and national events, exhibit at the fair, keep a record book, elect club officers and conduct meetings with guidance from other youth and adult volunteer leaders.

Enrollment—4-H Online

Re-enrollment will be done using the 4-H Online system again this year. Go to <https://v2.4honline.com/> to re-enroll.

When you are re-enrolling, be sure to check your information to make sure all the personal and project information is correct.

Re-enrollment must be completed online by November 15, 2022. Re-enrollments completed after November 15 will NOT be eligible to show in the following Waupaca County Fair as a 4-H member.

UPDATED 4-H Enrollment Guidelines:

Re-enrolling 3rd graders need to take Exploring and can enroll in **any** project areas with it (*not beef*)

Re-enrolling 4th graders can take any projects for which their grade/age allows

1st year (new members) in 3rd and 4th grade need to take the project called Exploring and can enroll in 2 additional project areas (*not beef for 3rd graders*)

NEW this enrollment year – members are able to change projects they enroll in until February 1, 2023 if a project area is forgotten or they want to add or delete after the November 15 re-enrollment deadline. After February 1, no project areas can be added or changed.

Blast Emails and Text Messages

As you may have noticed over the last few years, more information has been sent to you using the blast email feature in 4-H Online. We understand for some people this is more convenient and for others it is still preferred to get hard copies of items in the mail. We are trying to do some of both. In order for this to work the best for our office as well as you, we need to rely on the information entered in each 4-H Online family profile. Please double check your preferences when re-enrolling and provide an email in 4-H online that you check. We are trying our best to ensure as much information about opportunities gets to the most people.

New Enrollments

New Enrollments will be accepted at any time of the year; HOWEVER, in order to participate in the 2023 Waupaca County Junior Fair, enrollments need to be completed by February 1, 2023.

County Dues

The Leaders' Association supports numerous educational efforts for Waupaca County 4-H members and leaders. These include summer camp, project workshops, Day Camp, educational experiences, literature for club libraries, accident insurance, and much more. Due to the costs to support these efforts, the

Leaders' Board and Association set county dues at **\$6.00 per member per year**. Remember that **4-H County Dues** need to be paid to your club for your enrollment to be complete.

There is also a leader assessment of \$2.00 per leader due with enrollments.

If any club member or family is not able to pay dues, please contact Penny at the Extension office at 715-258-6229 or penny.tank@wisc.edu to discuss scholarship money.

Changing Clubs?

Some of you have been inquiring about transferring to a different club or maybe even starting new clubs. When you receive your re-enrollment guide and go online to reenroll, you select the club you wish to join. Make sure both the old and new club leaders know of your decision. The county dues should go to your new club leader. Remember you are still a reenrolling member and need to complete this by November 15.

COUNTY NEWS

Waupaca County 4-H will have a display at the New London location that you can check out and share with others. In addition, this year we are planning a **bake sale on Saturday, October 15 from 8:30 a.m.—1:30 p.m.** with money raised going to the county 4-H Leaders Association. Your club will be put in a random drawing to win one of 4 pizza parties (up to \$50.00 each). The pizza party will be held at a future club meeting. Sponsored by the Waupaca County 4-H Leaders' Board.

For the 2nd year, watch your 4HOnline email inbox the first week of November for your link to complete a survey about your 4-H experience. Youth ages 13-18 will receive a link to share your input about your 4-H experiences. It will help Wisconsin 4-H to learn about the quality of our programs. The information will

show how 4-H helps young people learn new things, develop leadership skills, manage goals, set high personal standards, create positive academic attitudes, and other life skills. This year we will be able to compare data with the 1st year baseline info from last year.

The survey will be sent to all Wisconsin 4-H members by email in the first week of November and you are encouraged to complete it within 2 weeks. Youth who complete the survey will be entered to win one of several \$25 gift cards. Fill out the survey to help Wisconsin achieve a 40% response rate.

MEMBER OPPORTUNITIES

Watch 4h.extension.wisc.edu/opportunities/statewide-events-and-opportunities/international if you are interested.

Volunteer Opportunities/Service Projects

Occasionally, the Extension Office receives calls from locations interested in partnering with 4-H clubs, families, and/or individuals to fill a variety of volunteer roles. If your club is looking for a service opportunity, consider the wide range of possible partners in each of our communities and the needs they have.

Deciding on service projects is an excellent chance for members to be actively involved in talking about the needs they see in their community and discussing ways that they could help address those needs. As always, keep in mind any risk involved and be sure that club service projects are talked about as a club with as much input as possible. If a member or their family decides to pursue an individual service project separate from the club; that is their own choice and would not be considered a 4-H event.

PROJECT NEWS

4-H Project Selection

The 4-H project is the method used by 4-Her's and leaders to teach and learn new skills and/or to acquire a body of knowledge. Projects can also be referred to as "sparks", something that you are passionate about and want to explore more!

Project selection is:

- ◆ A goal setting process.
- ◆ A decision making experience.
- ◆ The key to a rewarding 4-H experience.
- ◆ 4-Her's should ask themselves:
 - ◆ What do I like to do?
 - ◆ What do I already know?
 - ◆ What do I need/want to learn?
 - ◆ What must I do to learn more about a particular subject?
 - ◆ What must I do to learn a new skill?

Then ask yourself:

- ◆ Is there a leader for this project?
- ◆ Will my parents help with this project if no leader is available?
- ◆ Do I have the money available for expenses this project will require?
- ◆ Do I understand how much time and energy the project will require?
- ◆ Can I handle the work involved?
- ◆ Does the project fit in with my goals?
- ◆ Do I really want to work on this project?

While enrolling, if you have any questions about certain projects or would like a contact person to talk with about a specific project feel free to call the Extension Office for this information.

LEADER OPPORTUNITIES

Becoming a Volunteer Leader

All ADULTS who are project and activity leaders in the county / club MUST register on 4-H online to be covered by 4-H insurance and be registered in the enrollment system. If adults are interested in becoming a project leader for your club or county, call your general leader or Extension Office for enrollment information. There are numerous projects offered to members and it would be great to have more leaders to help throughout the year with project meetings and events.

There are Four Steps to Becoming a 4-H Volunteer

Becoming a 4-H Volunteer includes four steps to ensure youth protection for 4-H members. These steps include:

- signing up as a volunteer on 4HOnline
- passing a background check
- doing an online module called Mandated Reporter Training and Title IX Training
- completing the Volunteer in Preparation face-to-face training (dates will be announced later this fall or spring). If you have completed some of these steps, but aren't sure where you are in the process, please contact the Waupaca County Extension Office.

All adults need to register through 4-H Online and if they are a new volunteer, a background check will be run by the state 4-H office prior to an individual completing the volunteer training.

Looking for Committee Members

The 4-H Leaders' Association has many committees that have accomplished great things over the past years and continue to do excellent work for the 4-H program. If you are a youth or adult interested in things such as planning county activities (Music & Drama, Super Saturday), publicizing 4-H, balancing the yearly budget, planning Officer Training, reviewing record book pages, working with county awards and trips, and many other things call Penny at the Extension Office for more information.

Financial Support for 4-H Opportunities

The 4-H Leaders' Board and Association annually review their budget to provide support for local 4-H programs like Super Saturday, Music & Drama, partial cost of 4-H camps, officer training, Cloverbud workshops, and much more. In addition, 4-H members and leaders participating in 4-H sponsored educational workshops, trainings, camps, and/or trips may be eligible for financial support from the Waupaca County 4-H Leaders' Association. Remember that these funds come largely from the Waupaca County Plat Book sales and the 4-H Foodstand at the County Fair. Your help in these fundraisers is greatly appreciated. The 2023 budget was approved at the 4-H Leaders' Association meeting in July. If you would like a copy contact Penny at the Extension Office.

Mission of the Waupaca County 4-H Leaders' Association....

to develop, guide, educate and support 4-H youth and leaders within Waupaca County.

CLUB HAPPENINGS

Club Meeting Tips

Seating Arrangement: At 4-H Club meetings, have the members sit as a group, in front of the room near the club officer table. Parents should also be asked to sit as a group, in the back of the room or along the side and act mostly as observers. *The club officers and members should be encouraged to conduct the business meeting as much as possible by themselves, with minimal assistance from adults.* This is how we develop leadership and decision – making skills in youth....by having them learn to conduct their own meetings and vote on issues. This seating arrangement encourages kids to conduct their meetings independently.

Be courteous at all times! *The only person who should be speaking during 4-H business meetings is the club president OR the person recognized to speak by the club president (the person who has “the floor”).* Although many meetings go well, other times there can be a “chatter” issue with members and parents during club meetings. When everyone cooperates, the president will not need to use the gavel as often and your meetings will run more efficiently, get done sooner and everyone will hear what is being discussed. Then you’ll have more time for the other two parts of your meeting—education and recreation.

Accept majority rule! When a vote is taken, but doesn’t go the way you wanted, do NOT react in a sarcastic, angry or sour manner. *Remember, everyone has different opinions.* We live in a democratic society and we settle our differences by VOTING. After a vote is taken, we all have to live with the outcome and do the best we can by it. Sometimes a vote will go the way you wanted, and sometimes not.

Wisconsin 4-H Policy Updates

Wisconsin 4-H has updated or added several policies to provide 4-H volunteers, members, and staff guidance when planning for higher risk projects and/or activities.

Remember, all Wisconsin 4-H programs and activities must be supervised by an adult, 18 years of age or older, who is an enrolled and approved 4-H volunteer or a staff member. The purpose is to ensure the safety and well-being of all participants.

Visit the Wisconsin 4-H Policies webpage for policy changes and details: <https://4h.extension.wisc.edu/resources/wisconsin-4-h-policies/>

Enrolled 4-H members and registered Leaders are covered for accident insurance. The events that are covered are planned 4-H group events/meetings with adult supervision. Meetings/Events need to be on the club, project, or county calendar or in club minutes. Two people is not a group (for instance—one project leader and one member) and therefore is not covered by the accident insurance. If you are in a club situation where you have only one member and leader in a project please contact a club near you to work together or do the project work at a monthly club meeting when there are more people involved. Please keep this in mind for the safety of all our members and leaders. Also remember that non 4-H members are not covered by 4-H accident insurance. Clubs need to take out special activity insurance for club events where there will be non 4-H members participating in order for non 4-H members to be covered by the 4-H insurance. If you have any questions about accident insurance ask your General Leader or call the Extension Office.

Club Fundraisers

Please remember that club fundraisers should be conducted to reach a certain goal; there should be a plan and reason for raising a certain amount of money. If the club has enough money for planned events during the year you do not have to do a fundraiser. Contact the Extension Office with any questions or for more information.
