October 2022 Meeting Minutes

President Carrie Esch called the meeting to order at 6:30 with 8 members in attendance.

The Secretary's report was provided by Nancy Sonnenberg. The September meeting minutes were posted in the September newsletter. No corrections were noted. A motion to accept the September minutes was requested. Motion moved by Pattie and second by Carrie.

The Treasurer's report was provided by Rebeca Weber Schmoll and will be filed for audit.

No state update this month.

President Carrie Esch provided an update on scholarship activity in the area. There are few to no high school students applying for scholarships. We looking to advertise at the Fox Valley Technical College, Green Bay and Stevens Point Universities are other option to find potential scholarship candidates.

Committee Updates:

Children's Gardens

Waupaca – There is a new Waupaca City Park and Recreation Director will be in charge of the summer events. A suggestion was made to hold a spring meetings at the Children's gardens.

New London – Members Jean, Rebecca and Joan worked to reorganize the shed this fall. A question was raised about increasing sunlight reaching the garden. The New London City crew will be trimming trees to allow more light into the current location.

Old Business:

A follow up reminder will be sent out to those who didn't respond to the 2023 activities Member email survey, sent in September. Everyone is encouraged to provide feedback.

The website domain will be reviewed in November. Looking for someone to help post articles/updates and maintain communication to public about the Master Gardener Volunteer Program.

New Business:

Officer nominations are coming up in November. All interesting members are encouraged to step forward.

A member of the Friends of the Neuschafer Community Library in Fremont has requested to have a Member of the Waupaca County Master Gardeners join them and present to the group during a “Lunch with Friends”. They are looking to have this in April 2023. Due to this being a busy time for gardeners, we may propose a different time of year.

There was a motion to adjourn by Connie and second by Doug at 7:37pm.
