

Hello Dog Project Members,

Welcome to a new year of 4-H dog project education and training! If you are interested in participating in the dog project this year and dog training, please continue reading for some important dates to note on your calendar. If you are not participating in the project please let us know and I will remove your name from this list.

- **Start Up Meeting - Monday, March 13 at 6:30 p.m. at Manawa Elementary School Library (NO DOGS)** All members are encouraged to attend to learn about the project guidelines, calendar, enrollment information for your dog, and more.
- Project t-shirts will also be discussed on March 13. If you would like to make a simple sketch/design for the t-shirts bring it along (these will all be voted on by the members there). On the back of this page is a t-shirt order form (color copies will be available at the meeting). The leaders are hoping that t-shirts could be ordered and picked up in time for the April 17 fundraiser.
- **Tuesday, April 11 at 6:30 p.m.** will be the next meeting with educational stations at Manawa Elementary School (NO DOGS)
- **Monday, April 17 in the evening** will be a dog project fundraiser at Culver's in Waupaca. This will be discussed more at the first meeting, please plan to help if at all possible.
- **NEW THIS YEAR** will be a pre worknight/training practice for first and second year families (with your dogs) on **May 23** to help you feel more prepared and comfortable on the first night that all families attend (the following week).
