4-H FORECAST

April/May 2023

JOIN US IN CELEBRATING NATIONAL VOLUNTEER WEEK APRIL 16-22, 2023!

National Volunteer week was established in 1974 and has become a nationwide effort to encourage people to volunteer in their communities. We are so thankful for all of the 4-H volunteers in our county. In Waupaca County 4-H we have over 170 adult volunteer leaders who serve in various roles. 4-H Volunteers are valued partners in the 4-H Program! In addition there are many youth who serve as volunteers. Behind every one of our success stories there are mentors. People who support 4-H and help bring ideas to life.

To show our appreciation, we have ordered 4-H volunteer sun catcher ornaments. These will be at the Extension Office towards the end of National Volunteer Week for any youth or adult volunteers that are able to stop in. Penny will also bring them to meetings and distribute or mail if requested.

4-H Youth and Families—National Volunteer Week is also an excellent time to show your appreciation for club, activity, project, and county leaders. Some ideas include:

- ◇ A hand written thank you note!
- ◇ A token of appreciation, bag of treats, cookies, etc.
- ◇ Let volunteers know something you have learned from them.

To all youth and adult volunteers, we appreciate your time, talents, and support for 4-H!

Record Book Pages

For members, record books are a valuable part of the 4-H experience. They are intended to help you develop lifelong skills such as:

- ⇒ Setting goals
- ⇒ Planning and organizing
- ⇒ Communicating in writing
- ⇒ Evaluating effort and progress

Once completed, members experience personal satisfaction from completing a worthwhile task.

You also have a valuable record of accomplishments that can be used when applying for awards, scholarships, college or a job! Remember to begin saving information for your record books throughout the year and to start filling out the record book pages early. Refer to the guidelines you receive with the record book pages for details about completing your record book.

Similar to last year, **printed copies of record book pages will be given to those that want them.** We will not be printing and handing out record book pages to all members as in the past unless requested through your club leader or the extension office. You can also access record book pages on the Waupaca County 4-H website here <https://waupaca.extension.wisc.edu/4-h-youth-development/4-h-program-topics/record-book-pages/> . On this website there is a powerpoint that you can look at for tips and sample record book pages/project story examples. More detail about awards and recognition for record books will be included in a future Forecast newsletter. Completed record books are due to your club general leader in mid-September.

Waupaca County Fair Foods Project Judging

Monday, July 31st. Registration 4:30 p.m., Judging starts at 5:00 p.m. Located in the Grandstand Pavilion at the Waupaca County Fairgrounds.

4-H Projects vs. County Fair Exhibits

What's the difference between 4-H projects and fair exhibits? A **4-H "Project"** is an area of interest you want to learn more about (like a hobby). This is what you sign-up for during enrollment in 4-HOnline (i.e. horse, electricity, dogs, photography, etc.). A project is intended to help you explore, learn, and practice skills in your areas of interest. Youth must choose their projects at the time of enrollment so they have plenty of time to learn about or practice with their project area before the fair.

A **County Fair "Exhibit"** is what you actually take to the fair – like the cabbage you grew, the animal you trained, or the rocket you built while exploring and learning about your projects. There may be some things you do while exploring your project area that you do not take to the fair as exhibits and that is ok. Youth sign up to exhibit at the County Fair during June/early July based on the exhibits and rules listed in the Waupaca County Fair Premium book.

VOLUNTEER LEADER TRAINING

Supporting Youth Mental Health Training for Volunteers

<https://4h.extension.wisc.edu/resources/volunteer-resources/training-for-volunteers/supporting-ymh/>

For adults who volunteer with young people and care about young people. One way to show we care is to give help and support when someone is feeling down. That's what the Supporting Youth Mental Health for Volunteers Training—Supporting YMH, for short—is all about: knowing how to support youth when they're down, whether it's simply a bad day or it's more than that.

Supporting YMH has two parts:

- 1-hour online training
- 2-hour live training—offered virtually or in-person

Join the YMH Movement

A team of youth, volunteers, and staff developed this training. In 2023, it's available to you!

Volunteer Requirement (this training is valuable for any volunteers, see below for overnight experience requirements):

WI 4-H HALL OF FAME

Call for Nominations – 2023 Wisconsin 4-H Hall of Fame

This Hall of Fame is established to recognize 4-H volunteers, financial supporters, staff, and pioneers who made major contributions to the 4-H movement at the local, state, and national levels. The candidates represent 4-H in the broadest sense – they may be 4-H volunteers, financial supporters, UW—Madison Division of Extension professionals,

or staff employees who had an impact on the lives of children, their community, or state through significant contributions of time, energy, or financial resource to 4-H and its members. The names of some are very recognizable, as sites and buildings bear their names. Others, while not broadly known, have transformed the lives of children and families with whom they've worked and the communities in which they've lived. The Hall of Fame preserves Wisconsin's 4-H history and development while increasing awareness of the Wisconsin 4-H Youth Development program. 11 nominations must be submitted electronically to lpine@wisc.edu no later than May 19, 2023. Here is the web link for more information and nomination details <https://4h.extension.wisc.edu/wisconsin-4-h-hall-of-fame/>
