## WHAT IS 4-H?

4-H is a dynamic youth organization across America where young people learn leadership, citizenship, and life skills by participating in club and community activities.

In Waupaca County there are over 350 4-H members that belong to one of the 18 community clubs.

## WHO CAN JOIN?

Youth can!!! All boys and girls in grades Kindergarten through 13 can join 4-H. You can live in the city, town, or country, and you may join any club anywhere. If you are older than this, don't worry! You can still be part of 4-H. Adult leaders are always welcome to help lead projects in their area of interest.
