

## Suggestions for 2025 Waupaca County Basket to State Conference Auction

As I was beginning to start Christmas decorating I was going through many of my ornaments and realized I have many homemade ornaments, crocheted, quilted, beaded or other types of handmade ornaments. That got me thinking!

Let's try a Christmas Theme Basket for the Waupaca County contribution to the International Fundraiser at State WAHCE Conference in 2025. This could include handmade ornaments as mentioned above. In recent years we have had kitchen towels, table runners and books written by local artists. Honey and maple syrup are good items and staples year around. Maybe you would like to learn a new craft or skill, if so I could work on finding a special project teacher. It can be a way to fill the long cold winter days or evenings ahead during the winter months. If you have any ideas, please call me at 920.858.2607.

## Heartfelt Thank You from Clintonville Headstart

Dear Waupaca County Association for Home and Community Education,

Thank you so much for your continued support of the children at Headstart! They stay so toasty and warm in their new hats and mittens. I am sending along a picture of our two-year old students getting ready to go outside to play.

Thanks Again,

Lori Mattes, Headstart Site Manager
