

Waupaca County Youth Market Livestock Project Record Forms

2026

- 1) Develop a regular record keeping routine (start day after tagging meeting*; end day before Fair).
- 2) Keep a working copy on a clip board in the barn near the feeding area.
- 3) Use a feed scale to measure and monitor your feeding program (lbs / day).
- 4) Record amount of each feed used daily in a separate column.
- 5) When completing your 4-H record book, only the yellow summary page (front and back) needs to be included. The white calendar pages are for you to use as worksheets.
